	Total	48						
Graduation Requirements	<ol style="list-style-type: none"> 1. To qualify for graduation, students of the Extended Master Program must enroll and pass compulsory and optional courses and earn at least 48 credits (including 4 credits from master dissertation), pass examinations listed under the University's Research Degree Examination Regulation, and pass the Extended Master Program's Professional Fundamental Competency Assessment. 2. The total credits from courses enrolled by postgraduate students (excluding pre-courses and mending courses) shall not be less than 3, nor exceed 25. The minimum credits requirement aforementioned is not applicable to students who are in their extended period of study, nor to returned students, if one fourth of their required credits is offset. Other exceptional circumstances concerning the credits requirement are subject to the approval by the Head of the Department. 3. Credits earned from courses provided by Master Program of other Departments of the School of Law may be included into the graduation credits of the Extended Master Program. 4. Approval from and signature of the Dean or supervisor is required for credits earned from optional courses provided by other Departments outside the School of Law to be included into the graduation credits of the Extended Master Program. 5. The listed optional courses are provided in accordance with the relevant regulations of the University, and are subject adjustment according to the actual enrollment of each semester. 6. The optional courses on this list of compulsory and optional courses can be applied retroactively to students enrolled before the 103th academic year.
