Grand Total	Subtotal Required Course Credits	96
	Subtotal Elective Course Credits	38
	Grand Total	128

1. In accordance with the General Provisions for Study, undergraduate students need to satisfactorily complete Service Learning, meet the university-wide basic competencies of English, Information Technology, Chinese, and Sports, and pass the core competencies of their department to be eligible for graduation.
2. Students who entered in and since the 2008-09 academic year need to complete at least 12 General Education course credits. General Education courses are divided into three areas: Humanities, Social Science, and Natural Science. Each area is divided into two subcategories: core and extended. Students need to take 1 two-credit course in both of the subcategories within each area to be eligible for graduation. Only 12 course credits will be counted toward graduation. Additional course credits earned in General Education courses are not counted toward graduation.
3. Students can't study "Civil Code: Obligation General" and "Civil Code: Things" courses without having finished the study of "General Principles of Civil Code" course.
4. Students can't study "Civil Code: Obligations Parts" course without having finished the study of "Civil Code: Obligation General" course.
5. Students can't study "Criminal Code: Parts" course without having finished the study of "General Principles of Criminal Code" course.
6. Students can't study "The Law of Civil Enforcement: Parts" course without having finished the study of "The Code of Civil Procedure" course.
7. A student of this Department shall obtain the approval of the Head of this Department in order to enroll in the compulsory and optional courses provided by Departments other than those of the School of Law, failing to do so will result in the non-recognition of the courses enrolled and the non-inclusion of the credits thereof into the graduation credits.
8. Credits awarded to a student of this Department from the compulsory and optional courses provided by other Departments within the School of Law may be added into the graduation credits required by this Department.
9. The credits of the earned "Teacher Education Curriculums" can't be counted in the total graduate credit hours of this Department.
10. The elective courses on this Course Outline may be counted toward total graduation credits by students who entered the university prior to the 2015-16 academic year.
11. "Internship (a) program" and "Graduation special study" (upper) (lower) course, you should choose a course, was graduation party.
12. The credits of interdisciplinary focused course program are not included in course structure diagram that can be regarded as the other department credits.
13. According to Ming Chuan the implementation details of the verification of the professional basic ability of the Faculty of Law of the University, legal services, special studies on legal graduation I, special studies on legal graduation II, and corporate internship are the basic basic abilities of the department. They are mandatory optional subjects.
